

ES-300-IW-6

## REAL PERFORMANCE FOR THE REAL WORLD

With just one listen you'll understand why this in-wall speaker is a best seller. Remarkable clarity and dynamics make this an ideal multi-room audio speaker...whether for background music, or as the life of the party.

## Designed to Perform

Top-notch components like a polypropylene woofer with Nomex spider, high temperature voice coil, and 1-in. fabric dome tweeter produce a clear, detailed sound and smooth, high-frequency response for optimal audio.

## Engineered For Precision

Specifically engineered for precise and responsive performance, this speaker is equipped with outstanding driver voicing and a 2nd order cross-over network to make dialogue and music sounds its best.

## Built for Sound

Solid construction eliminates cabinet resonance to prevent unwanted distortion and provide optimal sound quality.

<b>Finished Dimensions:</b>	<b>12" H x 8.6" W x 3.3" D</b>

### Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
